Miss Mabel S. Deschanes, a popular and attractive young woman residing at No. 7 Bartlett street, Lewiston, Me., is now an ardent champion of Tanlac, since she began using the medicine a few weeks ago.

"I prize Tanlac above every other medicine, even that which was prescribed for me," said Miss Deschanes in relating her experience recently. "I dislike publicity, but there are so many others who, no doubt, suffer as I did, I feel that I ought to tell them about it."

"I had been a great sufferer from indigestion and had been under the doctor's care for six months without relief. At the time I began taking Tanlac I was on a very rigid diet and at times could not retain food of any kind. Even cold water would cause extreme nausea. I suffered from loss of appetite, severe cramping pains after eating and extreme nervousness. Finally my condition got so bad I simply had to give up and go to bed until I got relief. I was unable to go down town to do my shopping and, although I had been under treatment for six months, there seemed to be no relief for me. Honestly, I don't believe I would be alive now if I hadn't gotten Tanlac for I was suffering terribly and getting worse all the time."

"Finally my sister persuaded me to try Tanlac. I improved from the very first and one bottle did me more good than the six months' treatment. Why, I actually gained four pounds in weight while taking this one bottle. I have now taken four bottles and I feel just like a different person and am eating just anything I want; in fact, everything seems to agree with me perfectly. I am now able to do my shopping without becoming fatigued in the least and am no longer nervous like I was. Tanlac is simply wonderful, and I can not praise it too highly."

Tanlac is sold in Ogden by A. R. McIntyre Drug Co.—Advertisement.

NEWBERRY FRIENDS MAKE UNUSUAL PLEA

Entered Into Unconscious Conspiracy of 1918 Through Patriotic Motives Only

GRAND RAPIDS, Mich., March 17.—Martin W. Littleton, of New York, today closed the case for the defense in the Newberry election conspiracy trial, pleading for some three hours with the jury which is to decide soon the guilt or innocence of Senator Truman H. Newberry and 84 other state political leaders.

The day's proceedings opened with a brief conclusion of the plea which James O. Murfin, chief counsel for the defense, started yesterday. The final summing up of the government starts at 3 p. m., with Frank Dailey, special assistant attorney-general, in the role of last orator. It was understood this morning that unless Mr. Dailey concludes by tomorrow noon, Judge Sessions will not instruct the jury until Friday morning. This would put the case in their hands about noon that day.

GRAND RAPIDS, Mich., March 17.—Only patriotic motives, according to arguments of the defense, impelled the 85 Newberry election conspiracy trial defendants to enter into what James O. Murfin, chief counsel, told the jury was "the unconscious conspiracy of 1918."

Mr. Murfin told the jury that "as a thought for overnight" he would let them ponder "whether a man can unconsciously become a party to a criminal conspiracy." Previously he had said:

"I am here fighting for the vindication of Truman H. Newberry. If he were charged with spending or causing to be spent more money, than the law allows I would not waste my breath, or your time. But he and the other men are charged not with that offense but with being conspirators,

Plestina defeated John Freburg in straight fall here last night, winning the first fall in 20 seconds, when Freburg missed a try for a headlock and slipped and fell, being pinned to the mat by his opponent. The second fall went 1:03.30 and was won by Plestina with a double bar lock.

AUBURN, N. Y., March 17.—Baseball leagues which have qualified in class D were announced by John H. Farrell, secretary of the National Association of Professional Baseball Leagues. They include: West Texas League, embracing Mineral, Ranger, Eastland, Cisco, Abilene and Gorman; Western Association, embracing Fort Smith, Ark.; Springfield, Mo.; Okmulgee, Henryetta, Pawhuska, Drumright, Enid and Chickasha, Okla.

HOT SPRINGS, Ark., March 17.—Pittsburg Nationals, 3; 11; 2—Boston Americans, 4; 9; 0.

Batteries: Adams, Cooper, Pender and Clark; Lee, Hoefner; Hoyt, Penock and Walters, Devine.

MERCEDES, Tex., March 17.—St. Louis Nationals, 7; 8; 1—Philadelphia Americans, 6; 9; 2.

Batteries: Haines, Schupp and Clemons; Penny, Naylor and Perkins.

SPRINGFIELD, Mo., March 17.—Bob Martin, heavyweight champion of the American Expeditionary Forces knocked out "Dummy" West of Seattle, in the third round here last night.

PEORIA, Ill., March 17.—Meyer also went into first place in the all-events last night with 1855 pins in his nine games.

with working subterraneously in the dark with vile hearts and unclean minds.

Counsel Lauds Newberry. "It is humanly incredible that a man with Truman H. Newberry's record of service in the Spanish-American war, with his honorable record in the cabinet of President Roosevelt and who with his brother and two sons again offered his life to his country in this last war, should while in the naval service, plot to destroy those very institutions which he was pledged to defend with his life blood. Such a man can not all at once become a crook."

"Nor was therein the United States senatorship anything to prompt his ambition. When a man has been in the cabinet of the greatest American of our history, associated with Elihu Root, William H. Taft and others of their stamp, the United States senatorship, honorable as it is, is as distinctly a step backward as it would be for Judge Sessions to leave the bench in this tribunal to preside over a police court."

People Rally to Militancy. "When Henry Ford announced his candidacy on June 14, 1918, Chateau Thierry had not been fought. Belleau Wood was not a part of our history and the Argonne forest was unheard of. Those were dark days and it was no wonder that the voters of Michigan rallied then to a militant American instead of to a non-militant candidate."

CHANDLER SIX Famous For Its Marvelous Motor

Chandler Leads Because of Its Real Worth

IT is easy to boast and make claims and to so magnify mere incidents that they may appear as mighty events. It is easy to paint in the colors of exaggeration.

Chandler advertising has never carried boasts or unfounded assertions to the public. It has never extolled some single performance as final evidence of superiority.

The Chandler Six is so distinctly the leader among medium-priced high-grade cars because of its own worthiness, which for sales purposes does not need the support of exaggeration.

Chandler worthiness comes primarily, of course, from its great chassis, light, strong and enduring, featured by the famous Chandler motor developed throughout seven years of constant manufacture with no change of type of design, but with refinements and developments which have kept it long strides ahead of any other six.

This isn't a claim. It's a fact, and over sixty thousand Chandler owners would tell you so if you could ask them.

Six handsome bodies, splendidly built and finished, are mounted on the one standard Chandler chassis.

Other cars of some similarity are listed at hundreds of dollars more
